Cordless Robotic Pool Cleaner

UNLEASHED CLEANING POWER

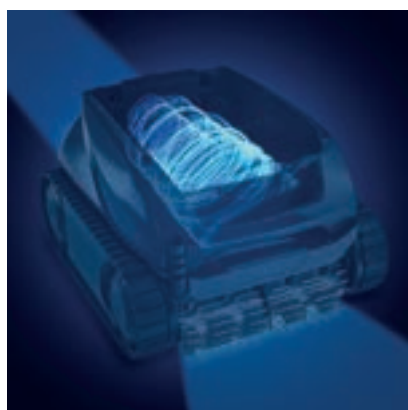

Freerider™ iQ robotic cleaner is cordless and equipped with a high-power lithium-ion battery offering expert cleaning without intervention. Highly efficient, easy to handle and cable-free, it is remarkably agile and gets into the tightest of corners on all types of pool surfaces. The App Control at your fingertips enables greater control and improved monitoring of the battery status.

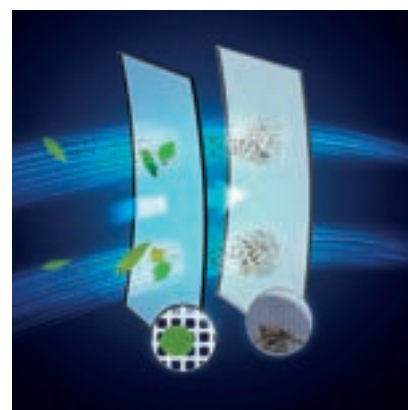

HIGH PERFORMANCE CABLE FREE DESIGN

Free of its cable, Freerider™ is easy to use on a daily basis and takes up little space. Long life lithium-ion battery.
Battery life: 1 full cycle (2 hours).
Fast charging < 5 hours.
Do not expose charger to direct sunlight, rain, or inclement.

SUCTION EFFICIENCY

Combining the constant power of its patented Cyclonic Suction with active brushing, the Freerider™ collects all types of debris with ease.

DUAL-STAGE FILTRATION*

Two-layer progressive filtration system (150 micron/60 micron) collects both large and small debris. Transparent canister cover and LED makes the collected debris easily visible.

*Available on FR800 iQ only. The FR500 iQ comes with 1 single 100 micron filter canister.

CONTROL AT YOUR FINGERTIPS

The App Control connectivity provides a better cordless experience. The App displays - Battery/Charging status, 'Time to pick up' push notifications at the end of a cleaning cycle and a product tutorial.

REAR CONTROL SCREEN

Makes it possible to view the battery charge status, to select the cleaning mode and to launch a cycle.

TAP & LIFT™ REMOVAL SYSTEM

A convenient and easy waterline retrieval method to remove the FreeRider™ from your pool. After the cleaning is done, simply tap the cleaner with your pool pole prompting it to climb the wall and allowing water to evacuate as you remove it for easy, lightweight handling.
