## 24/7 Pool Cleaning Power with SolarSeeker™ Technology

The Surfer S2 features an enhanced solar panel and extended battery life. When power is low, it instinctively moves to a sunny spot, ensuring 24/7 nonstop operation. Enjoy a spotless pool effortlessly while you relax!

## Dual Optical Sensors and Anti-Stranding Design

Advanced obstacle avoidance capability, enabling automatic self-rescue when stuck on steps or in shallow areas, preventing interruptions during cleaning.

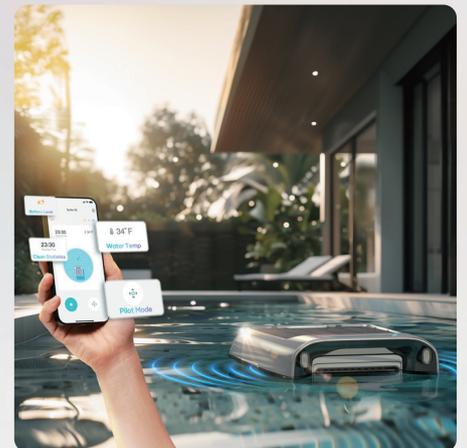

## Unmatched Cleaning Performance

Equipped with a 150µm fine filter and a chlorine dispenser, the Surfer S2 provides physical and chemical pool care, ensuring a worry-free, healthier pool.

## Industry-First DebrisGuard™ Design

When the Surfer S2 stops or changes direction, the DebrisGuard™ aquadynamic baffle springs into action, automatically closing to prevent any debris leakage. Enjoy seamless, worry-free operation with this innovative feature!

## Aiper App Compatibility for Remote Control and Cleaning Status Monitoring

The Aiper App offers remote control and allows users to monitor battery levels and cleaning modes for enhanced convenience and control.
