DESIGNED FOR USE WITH PURE MINERALS™

Pure Minerals™

Pure Minerals™ enhances the water to create a luxurious, soothing and healthy swimming pool. It is an all-natural product that is safe to handle, easy to use, and is suitable for any pool type and surface finish.

Wellness

Pure Minerals™ enables you to experience the well known health benefits of magnesium. Absorbing magnesium from the water will leave your skin and body feeling rejuvenated and replenished.

Water Feel

Pure Minerals™ is created from the highest purity magnesium crystals and is designed to transform the swimming experience. Magnesium naturally enriches the water, creating a smooth and silky water feel.

High Clarity

Excellent water clarity is achieved with the addition of Pure Minerals™. The magnesium crystals work as a natural flocculent, removing organic debris and impurities from the water, creating a crystal-clear pool.
