Park near the edge of
your pool for easy retrieval

Low Battery Alert

Aiper Scuba SE

Key Features

Hydro Dynamic Design Enhances Performance

The Scuba SE's hydrodynamic design optimizes power usage, enabling efficient movement and superior cleaning. Unlike corded cleaners, which waste energy on mobility, the Scuba SE dedicates its power to a full 90 minutes of thorough pool floor cleaning.

Cleaning Performance

This small but mighty pool cleaner is an aquatic workhorse, cleaning for up to 90 minutes and providing maximum coverage of your pool floor. A fantastic value for pools of up to 850 square feet/80 m2.

Cordless

Ditch the cord, and enjoy portability. Scuba SE is hassle-free and cordless for lightweight, portable, and convenient pool cleaning.

Quick Drainage

The Scuba SE features an enhanced water purging system, efficiently draining 80% of stored water within 15 seconds. This makes retrieving and storing the device easier than ever, saving you time and effort while reducing maintenance.

One-Click Activation

Hate doing chores? Aiper understands, and that's why we've designed the Scuba SE to make cleaning effortless. With its sleek, simple one-click activation, just turn it on, place it in your pool, and witness cleaning perfection in action.

Audio Alert System

You're always in the know when it comes to your pool cleaning thanks to our beautifully designed. Our easy-to-understand audio alerts ensure Scuba SE owners will always know the status of their device, no matter what.

Auto-Parking

There's no need to dive in to retrieve a dead device. The Scuba SE offers simplicity and convenience with its auto-parking feature. When it's done cleaning or the battery is low, the Scuba SE automatically parks near the pool's edge, ensuring easy retrieval without getting wet.

Specs

- Battery Capacity : 2600 mAh
- Charging Time : 3 Hours
- Battery Life : 90 Mins
- Suction Power: 20 GPM(75 LPM)

What's in the box

- 1x Aiper Scuba SE
- 1x Retrieval Hook
- 1x Charger
- 2x Brushes
- 1x User Manual
